

Adi Shankara
INSTITUTE OF ENGINEERING AND TECHNOLOGY

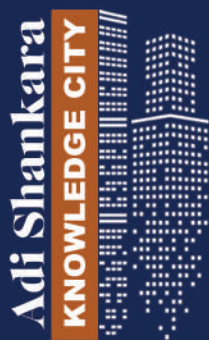

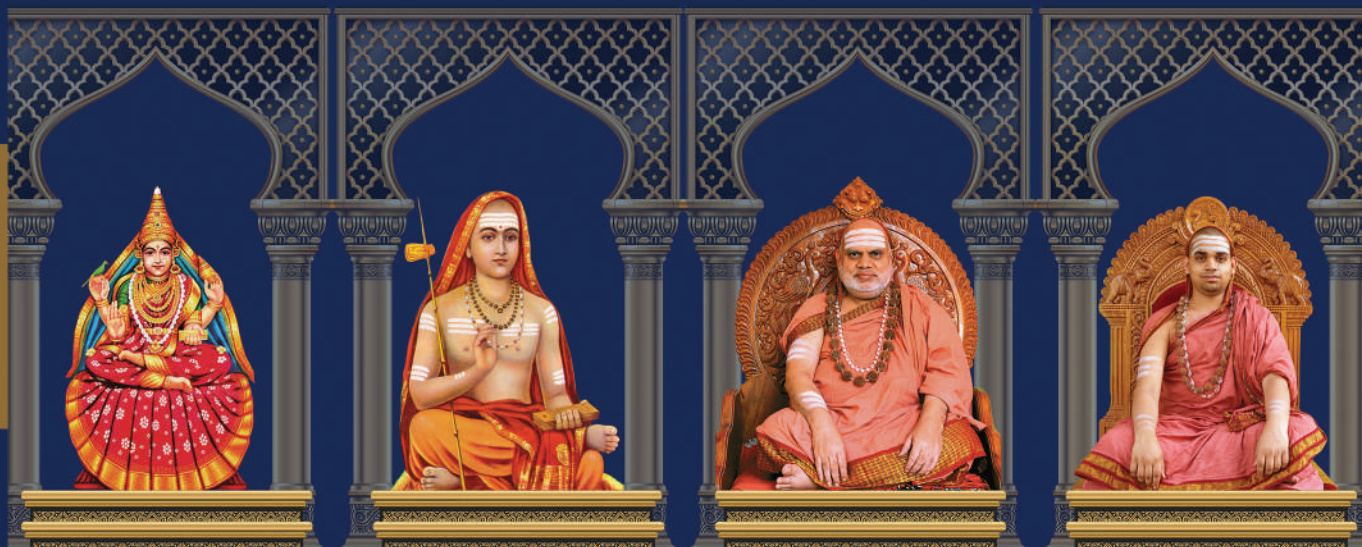

BE UNIQUE
THE BEST
IN THE FOREFRONT

@ ASIET, The College of Choice

Approved by AICTE & Affiliated to APJ Abdul Kalam Technological University
www.adishankara.ac.in

Vision

To emerge as a Center of Excellence in Engineering, Technology and Management by imparting quality education, focussing on empowerment and innovation.

Mission

- Impart quality professional education for total upliftment of the society.
- Create congenial academic ambience that kindles innovative thinking and research.
- Mould competent professionals who are socially committed and responsible citizens.

Adi Shankara Institute of Engineering & Technology (ASIET) affiliated to A P J Abdul Kalam Technological University, and approved by AICTE, has courses accredited by NBA. The College is part of a unique and vast **Gurukula** under the management of Adi Shankara Trust located at Kalady. ASIET has a spacious campus, state-of-the-art infrastructure and an esteemed faculty of scholars trained at leading universities in India and abroad. The institution grooms thoroughbred professionals focussed on outcome-based education, project-based learning, research acumen and an entrepreneurial spirit to contribute to the society at large. ASIET has at present 8 UG (B. Tech) courses in Civil Engineering, Computer Science & Engineering, Computer Science & Engineering (Artificial Intelligence), Electronics & Biomedical Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Mechanical Engineering and Robotics & Automation. The Institute also offers 4 PG (M. Tech.) courses – Computer science & Engineering, VLSI and Embedded Systems, Power Electronics & Power Systems, Communication Engineering—along with MBA and PhD programme. Seventeen batches of B. Tech students and Fifteen batches of MBA have passed out from ASIET till date and the alumni of the institution occupy responsible positions in prestigious organizations in India and abroad. ASIET places the focus on Industry Academia linkage (with the support of Ministry of Electronics and IT), all-round wholesome growth of the learners through physical fitness/ sports & games coaching/training activities, and extra-curricular/extension activities. Quality placements during the penultimate and final semesters become institutional legacy and commitment. Being a premier institution with the reputation of a major skill training institute, ASIET is committed in pursuing the task of knowledge upgrading of the general public, promotion of the latest skill-education and creation of a conducive environment for entrepreneurship development in society. The task of grooming the nation's builders and professionals in the field of technology is thus shouldered by Adi Shankara Institute of Engineering & Technology (ASIET).

ACADEMIC EXCLUSIVITIES @ ASIET

- Strong Industry Institute Interaction and Involvement.
- 24x7 Teaching-Learning environment facilitated through MOODLE @ ADI SHANKARA platform.
- Add-on Certification programmes in the Campus in association with Microsoft, IBM, Intel, SAP, Yokogawa.
- BMW India SkillNext technical skilling initiative.
- State-of-the Art FABLAB, IEDC, TBI etc.
- Enrichment of Curriculum through MOOC.
- Technology Business Incubator to facilitate and build an entrepreneurial culture among students.
- Student-centric and Outcome-Based Education.
- Systematic procedures that have ensured admirable track record in results and placements.
- Collaborations with reputable Universities outside India.
- Regular presence of adjunct academicians and visiting faculty to keep the learner community in ASIET updated.
- More than 40 MoU's with various Industries.
- Research Lab.

Benefits of NBA Accreditation to Students

- In the international job market, a B.Tech degree has premium value only if the candidate has studied in an NBA accredited institution.
- Students studying in NBA accredited Institutions can be assured that they will receive education which is a balance between high academic quality and professional relevance and that the needs of the corporate world are well integrated into programmes, activities and processes.
- It signifies that a student has entered the portals of an Institution, which has the essential and desirable features of quality professional education.

Support to avail education loan is given.

ASSK: Adi Shankara Skill Kendra offers 82 industry-focused, placement-driven top notch skill courses & International Placements.

FAB Lab: is a state-of-the art fabrication laboratory with 3D printing, laser cutting, etc. which promotes innovative proto-type actualization.

State award for Best Performing IEDC for the last 3 years consistently | Largest IEDC Summit 21 held in virtual mode for first time in India. A software using 3D and VR technology was developed by Adi Shankara start-up | More than 40 start-up companies of Adi Shankara Alumni group | More than 15 products incubated and started commercial operation through Adi Shankara TBI.

LAURELS FOR SERVICE RENDERED – ASIET NSS UNIT

National Service Scheme unit of ASIET has won several accolades for its exemplary services to the community.

APIAKTU NSS Cell Award - Adi Shankara Institute of Engineering and Technology bagged 6 Awards | Kerala State NSS Award 2019-20 for Best NSS unit, Best Program Officer & Best Volunteer | Directorate level Best NSS Volunteer Award 2019-20 | Mappathon Award 2019 by API KTU NSS Cell of Kerala Technological University | Directorate level NSS Award for Best unit, Best programme officer, Best Volunteer and Best Swach Bharat intern | Adi Shankara NSS Volunteers participated in International Youth Exchange programme to Russia in 2019 at National Integration Camp and Republic day selection camp.

ACADEMIA INDUSTRY CONNECT

Microsoft Technology Associate & IBM-ICE: Academic Partner | Adi Shankara-Cambridge University Preparatory Centre and OET Centre | Advanced Skill Development Centre, Government of Kerala, courses aligned with NSQF skill levels | ICT Academy of Kerala (ICTAK), skill courses | CET course: Department of Higher Education / ASAP Secretariat | BMW SkillNext Program | MOOG India: for hands- on industry exposure | ASIET-Google partnership for training on G-Suite | Training on Robotics & Automation at Siemens CoE (NIT Trichy) | ASIET's tie-up with NASSCOM facilitates the institution to have various up-skilling interventions.

Sridevi Pandalai

Sr. Analyst & Designer,
Oracle ERP systems, Entrepreneur

I am a proud ASIETian.

The experience we receive from this great institution is far more than just academics. ASIET shapes us to be skilled and confident to take up the challenges in the life ahead. It also provided many of us a head start through campus recruitments. I'll be ever thankful for that opportunity to be part of the world class MNC, Oracle. Over the last 15 years, I've studied and worked at various institutions.

Lieutenant Sreerang Prakash

Indian Navy

You can build a strong building only on a strong foundation and this is being ensured by the faculties that their students are strong in their basic knowledge. Traditional learning methods are replaced by interactive classroom sessions by highly qualified and experienced faculty which will bring the best out of you.

The MoU with Indian Navy is one of the greatest achievements which will help Armed Force aspirants to join as technical officers.

Reshmi G. Bhat

Flying-Officer Indian Air Force

ASIET is well-equipped with facilities that brings the best in us. I would like to thank the faculties and support staff of my department for their apt and timely guidances. The college has given me ample opportunities to develop myself and become a better person.

Sreenidhi Pisharody

Sr. Software Engineer, Robert Bosch

My experience with ASIET was very positive. The management of this college is very helpful to students to develop their skills, ability, knowledge of conducting courses, training programs. Staffs play a major role in career development. The institution has motivated me to explore my artistic talents. I am proud to graduate from this esteemed institution.

Shivada
Cine Actress

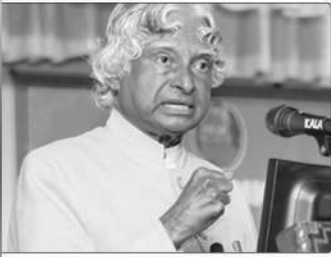

College life at ASIET, was the best and happiest part of my life. My college, with a lifetime full of learning experience, with amazing motivating faculties, with a bunch of friends with unconditional love, was indeed my second home. It creates an adrenaline rush when I trace back to the memories of my college days. Thank You ASIET for being an interesting, important and inseparable part of 'MY LIFE'!!!!

TRAINING and PLACEMENT CELL

Students are placed for practical training in various establishments according to their area of Interest and specialization. We conduct Mock Interviews for the students, to get the feel of actual interviews. Many successful students who are placed through the campus interviews have attributed their success to such practice interviews. The training program encompasses a three stage process is given to Engineering & Management Students. The training involves Aptitude Training, Analytical, Quantitative, Logical & Reasoning Training and Soft Skills Development. Such programmes help the students to become employment ready and they develop the right etiquette for the corporate world. We assist the departments, faculties and students for arranging IVs that contribute exposure to technological process, working environment and challenges faced by the industries.

LIFE @ ADI SHANKARA

TALENTS ARE BORN TO PERFORM

BRAHMA, The National Techno - Cultural Fest
"Awaken the creator within"

Sports and Games make the campus dynamic.

Sujith Unni M. S.
Regional Head at NASSCOM

Apart from the lush green campus backed by astonishing infrastructure, studying in Adi Sankara gave me a lead with a lifelong career excellence. From the very supporting faculties to excellent pedagogy, all helped me enhance my skills to the optimum and is still inspiring me to never give up. The serene and spiritual atmosphere in Adi Shankara has mentored me to where I stand today. So I'll be ever grateful to this well-established foundation.

Sarath V.
Apple Inc (California, USA)

Here, the teachers provide a friendly atmosphere to the students. The department provides an innovative culture to the students which enables us to bring more innovative projects. The teachers are very motivational.

Rishma Nair
Engineer, Indian Navy

Teachers and faculties of ASIET have put forward immense efforts and assistance for teaching and managing their classes. I have always been supported at each point whenever it was difficult and they have helped me out. Also, mentioning about the placement cell; it conducted various workshops which guided and encouraged me to secure such a good job. The study materials for aptitude tests were of great use to attend competitive exams.

Midhun
Sr. Design Engineer,
Jaguar & Land Rover (UK)

Convey my warm regards and been thankful that graduation in ASIET is one of the best things to happen in my life, both on personal and professional front. It has inculcated a lot of intra and interpersonal skills which is one of my key learning by being part of the ASIET family.
